

Staff Feed Back

Please reflect on the summer and give us constructive feedback in order to make successful improvements. Please feel free to use additional paper.

What areas/events/parts of camp ran smoothly this summer? Describe the way they were run:

What areas/events/parts of camp did not run smoothly this summer? Describe the way they were run:

Describe the ways our staff excelled: _____

Describe the way our staff could improve: _____

In what ways could our overall camp program be run more efficiently and effectively?

In what ways could our overnight camp program be run more efficiently and effectively?

In what ways could our Day Camp Program be run more efficiently and effectively?

What new program areas or activities would you like to see?

How can we improve our existing program areas? (arts and crafts, nature, waterfront, sailing)

How can we improve our camp infrastructure systems? (Health center, Kitchen)

What new camps would you like to see? What new day camp theme weeks would you like to see?

In what ways could we help improve camper spirituality?

In what ways could we help improve staff spirituality?

What parts of staff training were most informative and helpful?

What information do you wish you had gotten during staff training?
