The American Camp Association collaborates with experts from the American Academy of Pediatrics, the American Red Cross, and other youth-serving agencies to assure reseach-based best practices. As an accredited camp, we undergo ACA's comprehensive review of our operation, from staff qualifications to emergency management.

In addition to ACA accreditation, Quinipet is licensed by the New York State Department of Health.

GENERAL

RELIGIOUS FOUNDATION

Quinipet is a progressive Christian camp owned and operated by the New York Conference of The United Methodist Church since 1947. It is our belief that God gave us earth and humankind, and it is our job as loving, faithful Christians to love and care for each of these things. Our hope is that each camper will grow, not only by new experiences, but in their spiritual walk with God as well. Centering our space around the five rocks of Courage, Love, Faith, Humility and Honesty, Quinipet is an ideal environment for inner spiritual reflection.

Each day begins with a short Morning Gathering where campers participate in songs and prayer. Grace is sung before lunch “camp style.” Quinipet is a community that is open and affirming to all who come.
